

INSTRUCTIONS FOR USE

ELYSIUM TICK AND MOSQUITO REPELLENT SPRAY

INTENDED USE

The Elysium tick and mosquito repellent spray repels these unwanted insects by gradually vaporising natural essential oils and provides long-lasting protection against them.

HOW TO USE

Shake it gently and spray directly onto skin or clothing from a distance of about 20 cm. If necessary, spread by hand over the surface and allow it to dry. If applying to the face, first spray into the palm of the hand and then spread gently over the face, avoiding the eyes, mouth, nose and ears. Apply several times a day as needed.

STORAGE AND SHELF LIFE

Can be stored in a dry, well-ventilated, frost-free place away from direct sunlight at a maximum temperature of 25°C for up to 3 years.

COMPONENTS

Glycerine, distilled water, citronella oil (*Cymbopogon winterianus*), geranium oil (*Pelargonium graveolens*), peppermint oil (*Mentha piperita*), lavender oil (*Lavandula angustifolia*) in a gas-free spray.

WARNING

For external use only! Do not get in eyes, mouth or wounds. In case of skin irritation, stop using it and seek medical advice. Children should be supervised by an adult during use.
